

CFISD Social Media Marketing

Scope and Sequence

Course Description:

- Social Media Marketing is designed to look at the rise of social media and how marketers are integrating social media tools in their overall marketing strategy. The course will investigate how the marketing community measures success in the new world of social media. Students will manage a successful social media presence for an organization, understand techniques for gaining customer and consumer buy-in to achieve marketing goals, and properly select social media platforms to engage consumers and monitor and measure the results of these efforts.
- (1/2 Credit). Grades 10 – 12
- Recommended prerequisites: Principles of Business, Marketing, and Finance
- Lab supplies or fee may be required
