

CARE Academy
A College Prep Program

November 1, 2018

Dear Parent/Guardian of a Graduating Cy-Fair ISD Senior:

You are receiving this email because your student is enrolled in English IV L (on-level) and/or Advanced Algebra classes which are part of the CARE Academy. Students in the CARE Academy are eligible to enroll directly into college level English courses and/or Math (ENGL 1301, MATH 1314) **without having to take a college placement test** if the student earns a grade of 75 or higher in high school English IV L (on-level) and/or Advanced Algebra in the spring semester.

It is now a state law that all students who are attending college for the first time must receive a bacterial meningitis vaccine BEFORE attending college. Lone Star College Outreach and Recruitment holds an event called "Ready, Set, Enroll" where students 18 years or younger can receive this vaccine for \$20. Ready, Set, Enroll will be held on the following dates:

November 8, 2018	4 p.m. – 6 p.m.	CASA 107	Barker Cypress Campus
February 7, 2019	4 p.m. – 6 p.m.	CASA 107	Barker Cypress Campus
February 23, 2019	4 p.m. – 6 p.m.	CASA 107	Barker Cypress Campus
March 7, 2019	4 p.m. – 6 p.m.	CASA 107	Barker Cypress Campus

Please take this opportunity to get this college requirement completed and upload your vaccination record to Magnus SMR (Student Medical Records) **by the Friday before spring break** deadline to attend New Student Orientation with your high school campus in April 2019.

For more information about the Bacterial Meningitis Requirement, please visit: www.lonestar.edu/meningitis.

If your student will NOT be 18 years old by March 1, 2019, please also complete the Parental Consent and Waiver form and turn it in to the College and Career Specialist at your high school. This will enable your student to register for classes at Lone Star College before he/she turns 18. [Click here](#) to access the Parental Consent and Waiver form.

Please feel free to contact us with any questions at CyFairCARE@LoneStar.edu or call the CARE Academy Advisor at 281-290-3503 for assistance.
