

Title: **Society of Women Engineers Houston Scholarships (SWE)**

Deadline: February 28, 2019

Award Amount: not specified

**Program Description:**

The Society of Women Engineers Houston – Area Section (SWE-HA) would like to invite area high school students and junior college transfer students to participate in our 2018-2019 scholarships. **Our scholarships are intended to encourage female students to select careers in STEM (Science, Technology, Engineering, and Mathematics).**

Scholarships are given based on online merit applications along with letters of recommendation and reviews of resumes. Scholarships are also given at the University of Houston Science Fair.

**Website/Application:** <https://swehoustonscholarships.wordpress.com/about/>
