

CFISD Cleaning Protocols & Guidelines for Elementary Schools

APPENDIX

Classrooms:

Teachers shall spray liquid sanitizer on desks, chairs, student desk shields, teacher desk shield, high touch surfaces, door handles, and hand sanitizer push button prior to students entering classroom. Liquid sanitizer is alcohol-based and dries quickly. Paper towels will be available and can be utilized when needed. Promethean boards and computer keyboards are to be wiped with a microfiber cloth. The microfiber cloth shall be sprayed with liquid sanitizer. Do not spray directly onto computer keyboard or Promethean board.

Carpeted areas where students sit shall be sprayed with liquid sanitizer directly on to carpeted flooring in between classes.

Manipulatives shall be sprayed with liquid sanitizer and allowed to air dry.

Gym/PE room:

PE teachers shall spray liquid sanitizer with a pump-up sprayer directly on to gym floor surface in between PE classes then dry with a microfiber mop when needed. Basketballs and play equipment shall be sprayed with liquid sanitizer using a pump-up sprayer.

Custodial Team:

Custodial Team shall disinfect student restrooms, staff restrooms, and portable building restrooms throughout the day as needed.

Custodial Team shall sanitize/disinfect teacher lounge areas through out the day as needed as well as Admin areas.

Custodial Team shall sanitize/disinfect cafeteria tables between lunches.

Custodial Team shall deep clean at night using pump-up sprayers, misting systems, with an EPA registered, hospital grade disinfectant. Carpeted surfaces shall be vacuumed with a HEPA Vac nightly. Hard surfaces floors shall be cleaned nightly with a EPA registered disinfectant using a microfiber mop or auto scrubber.

Playground Equipment:

Playground equipment shall be sanitized Monday, Wednesday and Friday, morning and evening by Club Rewind personnel.
