

Title: **Providian Medical Scholarship**

Deadline: June 21, 2019

Award Amount: \$500

Program Description/History:

Providian Medical, a premiere provider of new and refurbished ultrasound, CT, and MRI medical equipment is looking to help future generations achieve their educational goals. The "Providian Medical Scholarship" is awarded bi-annually to help ease the burden of increasing educational costs today.

Increasing enrollment and increasing costs for a college education have made it increasingly difficult for students to get financial assistance as competition for scholarships continues to become more difficult.

We believe that education is key for anyone preparing to enter the workplace and embark on a career. To that end, we hope to play a small part in helping students achieve their educational goals with this bi-annual \$500 scholarship
