

Parents must screen students daily (prior to dropping off at the program) for the following signs and symptoms of COVID-19:

1. Are you experiencing any of the following in a way that is not normal to you?
 - Feeling feverish or a measured temperature greater than or equal to 100.0° F
 - Loss of taste or smell
 - Cough
 - Difficulty breathing
 - Shortness of breath
 - Fatigue
 - Headache
 - Chills
 - Sore throat
 - Congestion or runny nose
 - Shaking or exaggerated shivering
 - Significant muscle pain or ache
 - Diarrhea
 - Nausea or vomiting

2. Have you had known close contact with a person who is suspected, presumptive or lab-confirmed with COVID-19 within the last 14 days?

Students must stay home if they answer “yes” to any of the above. See “Students with Presumptive, Suspected or Confirmed COVID-19 Protocol”.

Students who show symptoms of COVID-19 at Back-to-School Camp will be evaluated by program staff. Program staff will determine whether that child can remain in the program.

Before a student may return to the program, established criteria must be met as stated in the “Students Return to School Protocol”.
