Basketball is a great sport AND it is an excellent way to help with physical fitness. There is no other sport that uses every muscle like basketball.

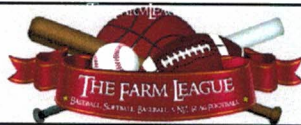

We have grade specific divisions based on the 2019-20 school year. This league is for players who play multiple sports that would also like to play basketball. Please visit our FAQ page for more information.

Practice starts in December, but NOT during Christmas Break. Games begin in January, with a total of 8 games and a playoff tournament. Games will be played at Klein ISD & local gyms.

NFL Flag Regional Tournament is coming to The Farm League Park on 12/7/2019. Teams will play for a chance to go to Nationals at Disney World in Orlando. This is a great event at the NFL Pro Bowl - a TFL team won Nationals last year!
