

CFISD World Cultures HORIZONS

Scope and Sequence 2019-2020

Course Description: Sixth-grade students will explore people, cultures and places of the contemporary world. HORIZONS students follow a similar scope and sequence and focus on the same units of study as on-level students; however, the curriculum is compressed and accelerated within each grading period giving students an opportunity to experience culminating activities. These activities allow students to investigate subject matter at a deeper and more complex level and include special topics related to the current unit of study and usually focus on contemporary world issues.

**The length of each unit is a specific number of days, but it is understood that there is a range of +/- a day. The purpose of the flexibility is meant to allow teachers the opportunity to plan for the needs of their students and to accommodate re-teaching or review when necessary. If pre-assessment indicates student mastery could be obtained in a fewer number of days, the additional time could be used for extension or carried into the next unit.
