THE CFISD COMMUNITY LEADERSHIP COMMITTEE

Help protect the integrity of education of the Cypress-Fairbanks Independent School District by understanding the current systems, mandates and issues at the local, state, and federal level that impact the quality of our education system.

Use our sphere of influence to share this information with the residential and business communities, enabling them to become more knowledgeable and engaged.

Ensure elected officials are aware of the impact of current systems and mandates on our quality of education and hold them accountable for future legislation and regulations.
