For all conditions, you may refer to section C below, *Use of the Social Security Disability Guidelines*, to quantify an individual's disability or handicap.

A. Medical and Behavioral Health conditions:

I. **Diagnosis(es):** _____

II. **Date of onset of the handicap:** _____

III. **Objective findings that substantiate impairment:**

IV. **Please provide any additional clinical information that supports how the individual's handicap prevents employment (applicable to individuals over age 18):**

B. Behavioral Health conditions , please provide:

I. **The individual's IQ score** _____ **and,**

II. **A functional assessment. Include communication ability, presence of intrusive psychiatric symptoms, stability, response to treatment and prognosis** (continue on a separate page if necessary): _____

C. Use of the Social Security Disability Guidelines:

To quantify an individual's disability or handicap, refer to the Social Security disability guidelines found at:
www.ssa.gov/disability/professionals/bluebook/ChildhoodListings.htm (for dependents age 18 and younger) **OR**
www.ssa.gov/disability/professionals/bluebook/AdultListings.htm (for dependents over age 18).

Using the appropriate set of guidelines, select the individual's affected body system(s). If your patient qualifies, please document the corresponding "listing" from the guidelines under which the handicap(s) falls.

Note: Satisfying the Social Security listing level impairment requirements does not ensure a determination of disability or handicap under the individual's Aetna plan. These Guidelines are only offered as a means to solicit submission of appropriate clinical information.

Documentation on this form should include:

I. **Diagnosis(es):** _____

II. **Listing number(s):** _____

Documents and medical records showing how the individual qualifies under a Social Security Disability listing must be submitted with this form.
