Program Description:

Notre Dame Leadership Seminars explore topics affecting the global community. The courses are centered around vibrant discussion and a robust exchange of ideas. This creates a context in which students are encouraged to examine their own conclusions and hone their own leadership capacities by improving their communications and analytical skills.

Expenses for students accepted to Leadership Seminars—including transportation to and from Notre Dame— will be paid for by the University. Approximately 100 students are admitted to Leadership Seminars each year, and students are eligible to receive one college credit upon completion of the program.
