

**DEIC Minutes**  
**Wednesday, September 18, 2018**  
**4:00 – 5:00 PM**

**Welcome – Dr. Linda Macias**

Dr. Macias greeted the members to the first DEIC meeting of the 2018-19 school year. She thanked them for their service and guidance.

**Approve Minutes for May 22, 2018 – Dr. Linda Macias**

The members reviewed the minutes from the May 22, 2018, meeting. The minutes were approved as presented.

**District-wide Educational Improvement Council Training – Dr. Linda Macias**

Members were asked to review the membership, roles, and responsibilities of the DEIC as described in school board policy. A PowerPoint quiz was used to determine members' knowledge of these items.

**2018 State Accountability Update – Dr. Ashley Clayburn**

Dr. Clayburn reviewed the STAAR performance levels of approaches, meets, and masters grade levels. Approaches is passing. District STAAR data was shared for each grade level and tested area. Comparison of CFISD and the state of Texas was included. The District scored above the state in each displayed grade level and tested area. Dr. Clayburn shared that all CFISD campuses earned the met standard rating. Congratulations! Dr. Clayburn shared distinction designation data. CFISD data was also compared to neighboring districts and the four largest districts in the state.

**District Equity Plan Update – Dr. Ashley Clayburn**

Dr. Clayburn reviewed the fact that the Texas Education Agency requires each district to complete an Equity Plan. Federal regulation, ESSA, requires states to work toward ensuring that students who are low income and/or minority are taught by teachers who are certified in the content taught, who have two or more years of experience, and who are considered effective. Dr. Clayburn reviewed the process the district committee followed in 2017-18 to create the district's plan. To attract, support, and retain effective teachers the district is providing professional development sessions with Eric Jensen on Engaging Students with Poverty in Mind. The 20 campuses with the highest number of economically disadvantaged students are attending these trainings.

**College Academy – Mary Jadloski**

Mary Jadloski showcased the College Academy initiative, a program allowing students to earn a HS diploma and an Associates of Science degree from Lone Star College simultaneously. Cy Lakes piloted the program during the 2017-18 school year with 138 ninth graders. Their success statistics were shared. Criteria for acceptance into College Academy were identified. The program was expanded to include a second cohort at Cy Lakes, and first cohorts at Cy Park, Cy Woods, Cy Ridge, and Langham Creek High Schools.

The meeting adjourned at 5:00 PM.
