THE CFISD COMMUNITY LEADERSHIP COMMITTEE

Help protect the integrity of education of the Cypress-Fairbanks Independent School District by understanding the current systems, mandates and issues at the local, state, and federal level that impact the quality of our education system. Use our sphere of influence to share this information with the residential and business communities, enabling them to become more knowledgeable and engaged. Ensure elected officials are aware of the impact of current systems and mandates on our quality of education and hold them accountable for future legislation and regulations.

Subject: LWV-Cy-Fair Education Forum on Thursday, Feb. 9th at 7PM-8:30PM

Dear Tom,

We have reserved Juergen's Hall Community Center for the LWV-Cy-Fair *Education Forum* Thursday, Feb. 9th 7PM-8:30 PM. If you are interested, we would like to invite the CLC to co-sponsor and participate by explaining our CFISD Legislative Priorities.

Please let me know if you or someone is available to present. Your time will be a minimum of 15 minutes with potentially more as others speakers confirm availability.

Our audience that we are targeting is parents, Cy-Fair residents and business community members.

We try to provide at least 15 minutes at the end for questions. We stop at 8:30 PM and do not go beyond that limit. As we have a public education support position on this issue, we are not required to invite a home school association to present. Teresa Hull has committed that CFISD will present 30 minutes covering the differences between public schools, charter and private which she shared with CLC. (If she is unavailable, Dr. David Anthony might fill in for her.)

Please let me know your availability and interest in co-sponsoring the event.

Sincerely,
Marlene Lobberecht
