INDEPENDENT SCHOOL DISTRICT

SUBSTANCE USE INTERVENTION PROGRAM (SUIP)

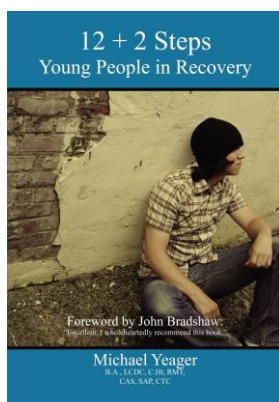

PRESENTS:

Parents, Staff, & Community Neighbors,

As 'The SUIP' embarks on the final two parent/community trainings of the 2018-19 school year, we would like to encourage everyone to come out and receive valuable information from Mr. Michael Yeager, who has over 40 years of experience in the substance use field. Mr. Yeager will emphasize how the family influences the cycle of dependency. This training will help parents and family members identify how they may be unknowingly contributing to their child's use of substances. Please come, learn, and continue to grow in the knowledge of youth substance use.
