

PROGRAM OVERVIEW

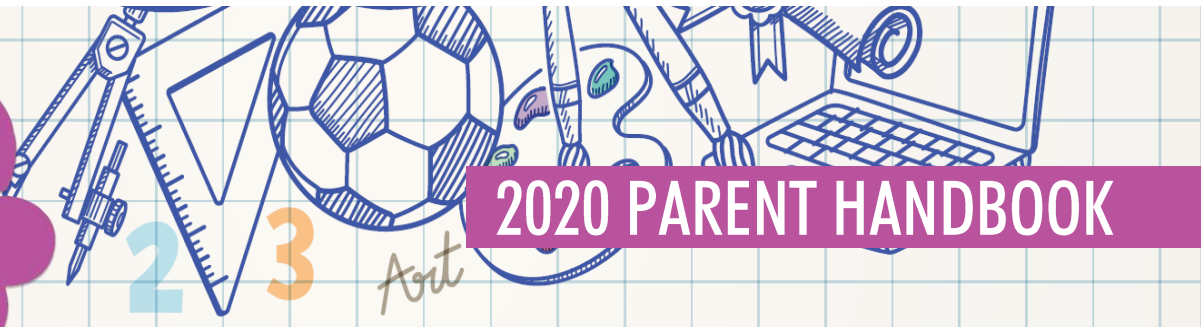

Club Rewind Summer Camp is designed to give parents and children a safe and engaging daycamp option, while providing a fun summer experience that children will remember for years to come. Club Rewind Summer Camp is a licensed childcare program through the State of Texas Health and Human Services Commission - Child Care Licensing Division and meets or exceeds the standards set by the state. Additional health and safety protocols will be implemented in response to COVID-19 for the 2020 Summer Camp Program. These protocols are subject to change throughout the program based on local, state and federal guidelines and recommendations.

ACTIVITIES OFFERED

Club Rewind Summer Camp offers a variety of activities to engage and educate children throughout the summer. Arts and crafts, team-building activities, indoor and outdoor games and STEM challenges are just a part of the weekly curriculum. Each week is theme-based with lessons specifically designed to build connections for children throughout the week.

Students will have the opportunity to participate in the CFISD academic summer activities offered online. Students may bring their own tablet or laptop to use during academic time, however, Summer Camp is not responsible for any lost or damaged devices. If a student chooses not to participate in the online academic activities, he/she may read a book during this time.

COVID-19 PROTOCOLS

The following protocols will be implemented for the 2020 Summer Camp program in response to COVID-19:

- Enhanced sanitization and cleaning
- Social distancing measures
- Lower student to staff group ratios
- Cancellation of off-site field trips
- Only enrolled students and program staff will be permitted in the building
- Individual sets of supplies for students
- Exclusion of children and staff from 3 to 14 days if they exhibit fever or other COVID-19 related signs or symptoms or if they have had close contact with someone with COVID-19
- Staff and students may wear masks

FIELD TRIPS

All off-site field trips have been cancelled this summer to minimize community exposure to COVID-19.

WATER ACTIVITIES

During some daily activities (i.e. sponge relays) and on-campus events (i.e. field day), water activities may take place. As part of the enrollment process you are asked to give permission for your child to participate in any water activities. Swimming is not part of the Club Rewind Summer Camp program.

MEALS AND SNACKS

Children enrolled in Club Rewind Summer Camp are provided a morning and afternoon snack. Children arriving before 7:30 a.m. will be provided a light breakfast. CFISD Nutrition Services will be providing breakfast and lunch at both sites for students.

ENROLLMENT PROCEDURES

Space is limited and availability is on a first come, first served basis. Priority registration will also be given to CFISD employees who are working in essential positions over the summer. All new applications will be placed on a waiting list and parents will be notified shortly after the registration deadline for each week regarding enrollment status. The registration for each week closes the Sunday one week prior to the week’s start date, as indicated below.

LATE REGISTRATION & ONSITE REGISTRATION

Due to COVID-19 precautions, late registration and onsite registration will not occur for the summer programs. All students must be registered by the designated registration deadlines.

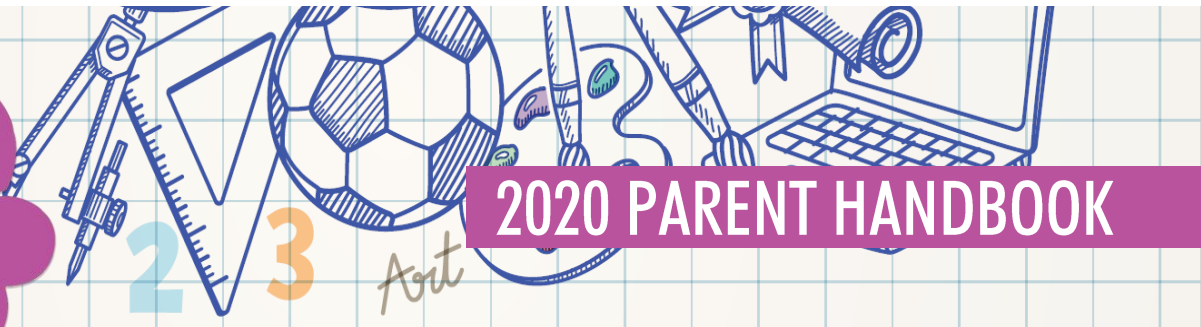

PAYMENT OPTIONS

Payments are made online via electronic check (\$1.00 Processing Fee) or credit/debit card (\$2.50 Processing Fee) through the Club Rewind Parent Portal at www.ezchildtrack.com/cfisdclubrewind/parent. If you are enrolled in automatic payments, payments for summer camp are deducted on the payment due dates as outlined on Page 7. If you are unable to pay online we accept payments in the form of money orders in person at the Community Programs office located at: 22602 Northwest Fwy, Suite 1 Cypress, Texas 77429

INVOICES

Invoices for each summer camp week are available in the EZChildTrack on the billing date listed below. All payments are due according to the payment due dates indicated below. If you are enrolled in autopayments, your payment will be drafted on the payment due date. If payment is not made, your student will not be able to attend camp until payment is made for that week.

In the event a payment is returned for any reason, your account will be charged a \$35.00 returned payment fee. The account will be placed in suspension, and your child will not be able to attend camp, until the account balance has been paid.

LATE PICK-UP

Club Rewind Summer Camp operates from 6:30 a.m. until 6:30 p.m. Children may not be dropped off prior to 6:30 a.m. in the morning. Parents arriving after 6:30 p.m. according to the school clock will be charged a \$2.00 per minute per child late pick up fee regardless of the reason for the late pickup. Multiple late pickups over the course of the summer, or late pickups of 30 minutes or more, could result in your child being removed from the program.

ARRIVAL, DEPARTURE AND RELEASE PROCEDURES

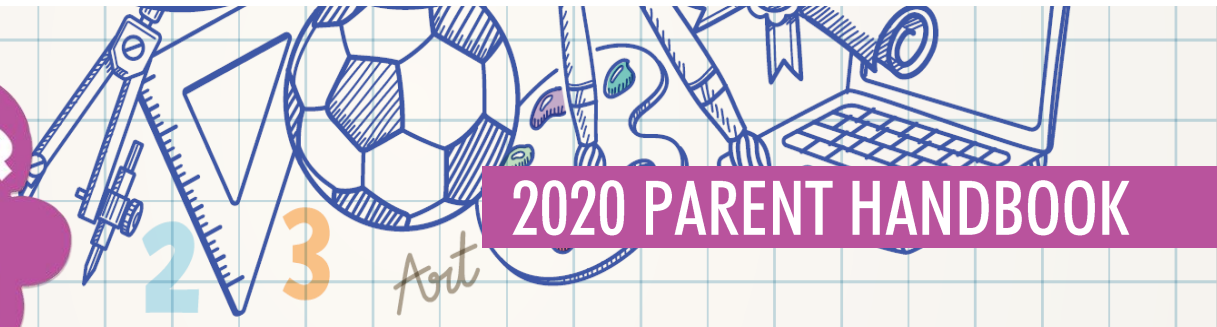

Club Rewind Summer Camp will be implementing curbside health screenings and drop-off/pick-up procedures prior to admitting children into the program each day.

The parent enrolling the child in Club Rewind is the primary account holder and has the right to authorize or restrict individuals to pick up from the program. Updates to your account must be made online. All individuals authorized to pick up the child must be entered into the EZChildTrack system by the primary account holder. Each person must have an identification number (i.e. driver's license) and a phone number in the system. Staff members will not release the child to a person who is not an authorized person in the EZChildTrack system. Parents/guardians should provide official court orders indicating custody terms and days/times of possession or visitation to help the staff determine who may sign out the child each day. Such documents must be signed by a judge and emailed to communityprograms@cfisd.net.

Per state licensing standards, the name, address, and telephone number of another responsible individual (friend or relative) must be listed as an emergency contact when the parent(s) cannot be reached. In addition, at least one other person besides the parent(s) must be designated to release the child.

Authorized persons may pick up children at any time once the program starts, by curbside pickup. Parents must wait in their vehicle and be prepared to show a photo ID. All authorized persons must provide their unique PIN to pick up a child. PINs must be created in the EZChildTrack system by the primary account holder for any person who is authorized to pick up the child. This allows us to document who checked out the child each day.

If a parent or other authorized person arrives at Club Rewind smelling of alcohol or exhibiting unusual behavior, staff members will not release the child to that person and are instructed to contact the CFISD police department.

DISCIPLINE AND GUIDANCE PROCEDURES

Club Rewind Summer Camp Guidelines for behavior include:

- Always Try Your Best
- Make Good Choices
- Be Considerate and Respectful
- Stay in Control
- Have a Positive Purpose

Club Rewind Summer Camp staff members are trained in positive strategies for encouraging and reinforcing appropriate behavior. In addition, staff members are trained to communicate with parents/guardians regarding behavior through program notes or verbal feedback.

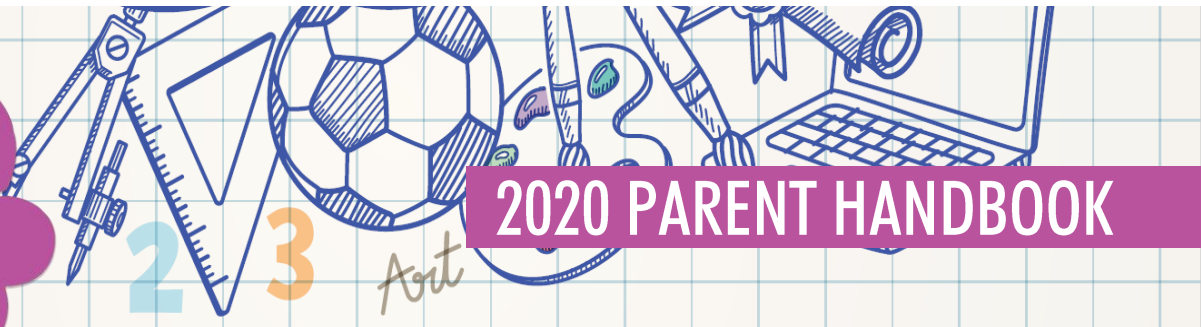

Should a concern arise regarding a child's behavior and needs, parents will be contacted to discuss the concern. Staff members will utilize a variety of appropriate strategies to address inappropriate behavior. If inappropriate behavior should continue, or if a child's behavior becomes unsafe for him/herself or others, he/she may be suspended temporarily or permanently from the program.

In the event a parent is contacted to pick-up his/her child due to inappropriate behavior, the parent must make arrangements to pick up the child as soon as possible, as Club Rewind does not have an "in-school suspension" area or staff to provide one-on-one supervision.

A child who is suspended from Club Rewind Summer Camp may not attend the program on the day(s) he/she is suspended and parents must make other arrangements for their child's care. If a child is suspended, parents will be contacted to pick-up the child from the program. Temporary suspension from the program may be from one to three days or indefinitely, pending a meeting with the parent. Refunds are not given for days missed due to suspension.

In the event of severe or ongoing concerns, a meeting with a Club Rewind program administrator will be held to discuss permanent suspension from the summer program. In addition, if a child's needs are greater than can be met without fundamentally altering the program, Club Rewind Summer Camp may not be a suitable option for summer care.

Any situation that occurs regarding behavior during Club Rewind Summer Camp is handled according to Club Rewind procedures and policies. Club Rewind notifies the CFISD police department in the event a law is broken during the program. To respect and maintain confidentiality, Club Rewind Summer Camp staff members may only discuss your child with you and they may not discuss information about other children with you.

VACCINATIONS

Children attending Club Rewind summer camp must have all vaccinations required for enrollment in public schools or be eligible for an exemption.

Club Rewind recognizes a child's immunization information is kept current at the school and it is not necessary to duplicate these immunization records for the summer camp program. If a child is enrolled in summer camp and attends school in another school district, immunization records are required. Immunization records are also required for incoming kindergarten children who have not yet enrolled for the fall semester.

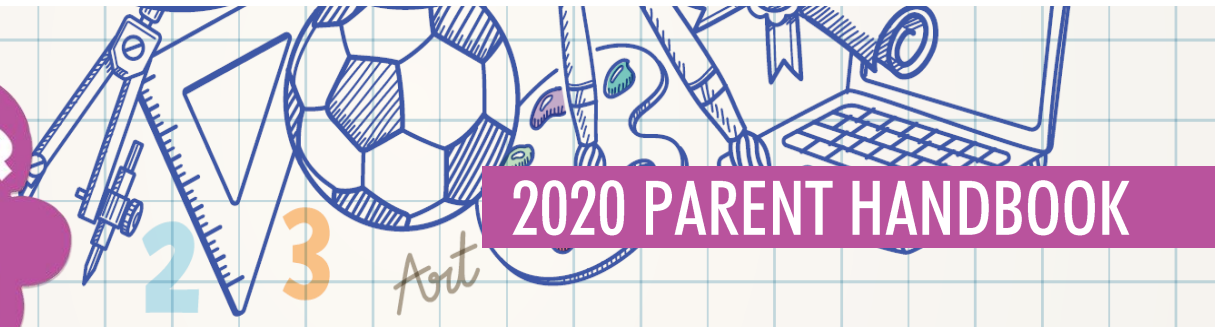

Club Rewind Summer Camp staff members over the age of 18 are required to be current on all vaccinations recommended by the CDC for adults ages 19 and older, with the exception of influenza and HPV vaccines. These vaccines include MMR, Tdap, and Varicella. Any employee under the age of 19 is required to be current on all vaccines required for public school enrollment. In addition, staff members are required to stay current with required vaccines as a condition of employment. Exceptions are made for individuals that have had a previous infection, making the vaccines unnecessary and for employees that are eligible for an exemption.

HEALTH/SAFETY GUIDELINES, ILLNESS, AND EXCLUSION

COVID-19

Parents may be called in the event a child becomes sick and is not able to participate in the regularly scheduled activities. A child who becomes ill will be separated from other children and the parent will be contacted immediately to pick up him/her. For the protection of all children and staff during the COVID-19 pandemic, children and staff will be excluded from the program or sent home for any of the following new or worsening signs or symptoms of COVID-19:

- Fever
- Cough
- Loss of taste or smell
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- Diarrhea
- Shortness of breath or difficulty breathing
- Feeling feverish or a measured temperature greater than or equal to 100.0° Fahrenheit
- Known close contact with a person who is lab-confirmed to have COVID-19

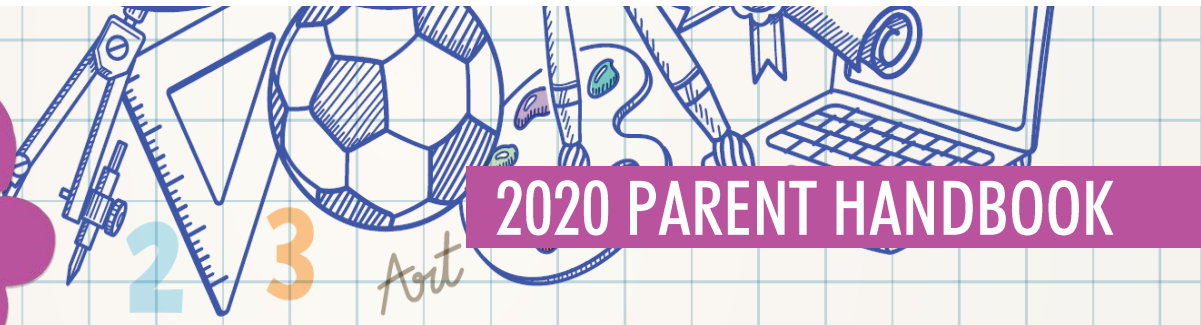

If a child exhibits any of the symptoms previously listed, he/she may not return to the program until all three of the following criteria are met:

- At least 3 days (72 hours) have passed *since recovery* (resolution of fever without the use of fever-reducing medications), and
- The child has improvement in respiratory symptoms (e.g., cough, shortness of breath), and
- At least 10 days have passed *since symptoms first appeared*

Other illnesses or health conditions non-COVID related which will exclude children from the program include cases where:

- The illness prevents the child from participating comfortably in the operational activities including outdoor play;
- The illness results in a greater need for care than caregivers can provide without compromising the health, safety, and supervision of the other children in care;
- The child has one of the following (unless a medical evaluation by a health-care professional indicates that you can include the child in your operation's activities):
 - An oral temperature above 100 degrees that is accompanied by behavior changes or other signs or symptoms of illness;
 - A tympanic (ear) temperature above 100 degrees that is accompanied by behavior changes or other signs or symptoms of illness;
 - An axillary (armpit) temperature above 100 degrees that is accompanied by behavior changes or other signs or symptoms of illness; or
 - Symptoms and signs of possible severe illness such as lethargy, abnormal breathing, uncontrolled diarrhea, two or more vomiting episodes in 24 hours, a rash with fever, mouth sores with drooling, behavior changes, or other signs that the child may be severely ill; or
 - A health-care professional has diagnosed the child with a communicable disease, and the child does not have medical documentation to indicate that the child is no longer contagious.

Safety is a priority at Club Rewind Summer Camp, although we recognize that at times children will get minor scrapes, bruises, or other "ouches" during the program. To address this issue, each site is equipped with first aid supplies. All staff members receive first aid training upon hire and CPR/AED training within 90 days of employment. In the event of a minor injury, Club Rewind staff members will utilize an "Ouch Report," which are short forms used to communicate information to parents.

In the event that a child receives an injury to the head, eyes or ears, parents will be contacted immediately to notify them of the situation. Should the child experience any changes in behavior, signs of dizziness, headache, nausea, staggering, bleeding from the eyes/ears, difficulty breathing, vomiting or similar, 911 will be called.

Should a child soil his/her clothes, and be unable to clean him/herself or change clothes independently, parents will be contacted to come and pick-up the child immediately. Parents are encouraged to send an extra set of clothes in the child's backpack to provide them with a change of clothing in the event it is needed. Should a child soil him/herself multiple times during the program, a meeting with a program administrator will be held to determine if the child's needs are greater than can be met within our staff-to-child ratio. If Club Rewind is deemed to be an unsuitable option for summer care, your child may be removed from the program. Refunds will not be given for days missed due to removal from the program.

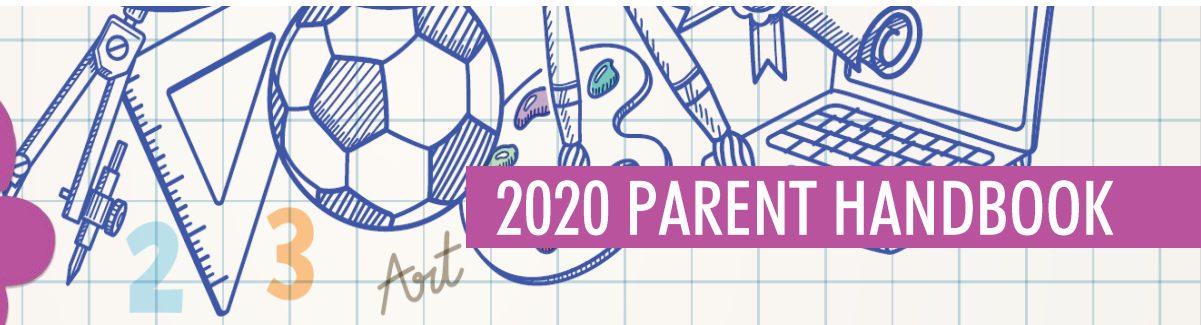

MEDICATION POLICY

Club Rewind Summer Camp will have a school nurse on staff to conduct health screenings and to monitor children and staff for COVID-19 related symptoms. Medication will be administered during camp hours.

Each summer camp location employs staff members trained in the administration of medication. If a child requires medication to be administered during camp hours or has emergency medication of any kind, a "Request for Administering Medication" form must be completed. This form is available online at the time of registration and can be uploaded to the child's account. The form can also be completed at the summer camp location. The form must be completed in its entirety before medication can be administered and medication should be given to the Program Clerk by the parent. Children are not permitted to deliver or pick up medication.

All medications administered at Club Rewind Summer Camp will be given per board policy and in accordance with the Minimum Standards for School-Age and Before or After-School Programs. Prescription medications must be in the original container with the child's name and dosage. Prescription medications will be administered per the instructions on the pre-printed label.

Over-the-counter medications will only be given on a temporary basis and the parent's directions must match the instructions on the medication's label. We do not administer herbal or dietary supplements. Over-the-counter medications must be in the original, unopened/sealed, container.

Over-the-counter medications will be administered per the instructions on the label unless accompanied by doctor's orders indicating different instructions. Original labels must be intact on all medications.

Should a parent want a child to utilize sunscreen or insect repellent during camp hours the parent may provide the product, along with written permission and instructions on when they would like the product applied. Children may apply their lotion or wipes under the supervision of a staff member with written permission from the parent. If a parent wants a staff member to apply the sunscreen or insect repellent, we ask the parent to specify so in writing and provide spray sunscreen and insect repellent. Staff members will not apply lotion or wipes to children.

Club Rewind has a zero-tolerance policy regarding the possession of medication at any time (prescription or non-prescription). Children may not keep medications in their possession without a doctor's written permission and authorization form turned in to the Club Rewind staff members in advance.

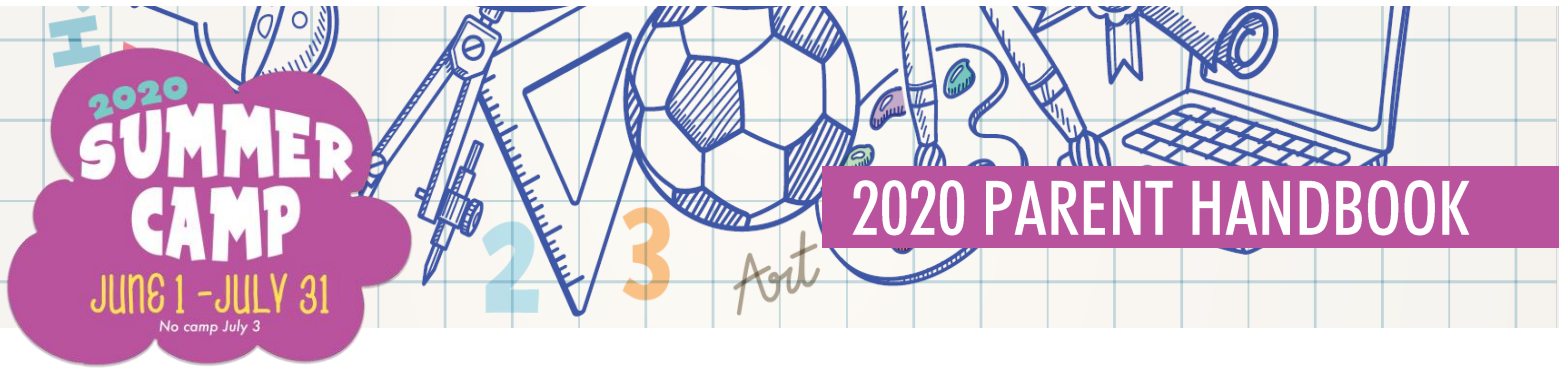

ACCIDENT OR MEDICAL EMERGENCY

Our number one priority is the safety of the children. In the event a child requires medical attention; the parent will be contacted immediately. For this reason, parents must update telephone numbers and addresses as soon as possible when there is a change. If the parent(s) or emergency contact(s) cannot be reached, the summer camp staff members have the authority to seek medical attention for a child at the parent's expense.

If the situation is a medical emergency a program staff member will call 911 immediately. The parent(s) will assume costs associated with emergency care and transportation.

EMERGENCY PREPAREDNESS PLAN AND INCLEMENT WEATHER

Club Rewind Summer Camp employees are trained in basic emergency procedures and follow CFISD procedures for handling a crisis. Monthly fire, shelter-in-place, and inclement weather drills are conducted at each camp location. An emergency preparedness plan is kept onsite should a parent wish to review it.

Should the electricity go out during Club Rewind, staff members are trained to move children into a lighted area and continue the program as planned. Parents will only be called to pick-up their child(ren) early should the facilities be deemed unsafe.

In the case of inclement weather, Club Rewind may close. If the weather begins to worsen throughout the day and road conditions are poor, we ask that you pick your child up as soon as possible. This will allow children, as well as Club Rewind staff members, to get home safely.

In the event of an unexpected closure, for any reason, tuition for the days the program is closed is non-refundable.

PARENT COMMUNICATION

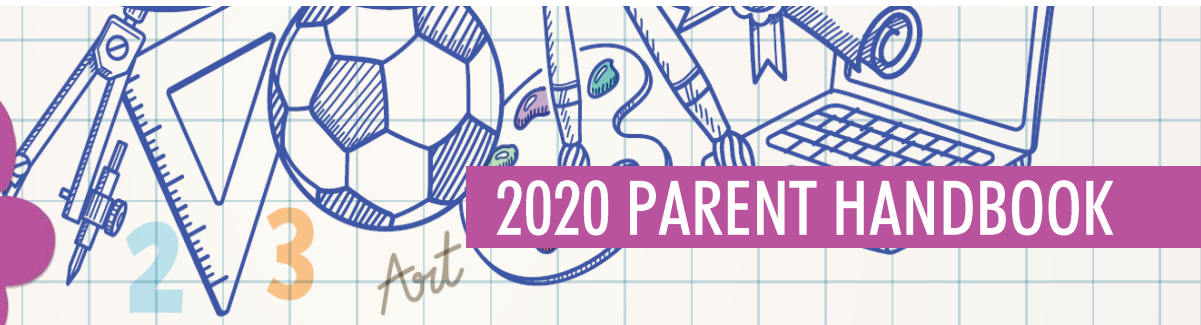

Open communication is essential for the success of your child's summer camp experience. Please check daily for posted notices, fliers, and other information. A Coordinator and/or General Manager is available to speak with you and answer any questions at drop-off or pick-up each day. If a parent would like to schedule a conference to discuss questions or concerns about the policies and procedures of the operation they may call the campus or schedule a meeting with the Coordinator or General Manager at drop off or pick up. Should there be any changes, additions or deletions to our guidelines or policies, parents will be notified in writing and asked to acknowledge they understand the change.

VISITORS

Due to COVID-19 health and safety protocols, visitors will not be permitted in the building. Only persons with legal authority to enter, including law enforcement officers, child care licensing staff, professionals providing services to children, program staff and children enrolled in the program will be permitted to enter.

ANIMALS

No animals are present at the summer camp location regularly. The Cypress-Fairbanks ISD Science Resource Center (SRC) may be on campus in the summer conducting activities, including educational sessions involving live animals. All animals cared for at the SRC are current on vaccinations. Pets are not permitted in the building at any time. Service animals are always welcome.

TEXAS DEPARTMENT OF HEALTH AND HUMAN SERVICES – CHILD CARE LICENSING

Club Rewind Summer Camp is licensed through the Texas Department of Health and Human Services – Child Care Licensing Division. A copy of the Minimum Standards for School-Age and Before or After-School Programs is available at the summer campsite or online at <https://hhs.texas.gov> for your review. You may also request a copy of these standards from your local child care licensing office. The HHS website also has additional information about child care operations and requirements in the state of Texas. The local office for child care licensing is located at:

9702 Bissonnet
Houston, TX 77036
713-940-3309

The operation's most recent licensing report is available for your review at the summer camp location.

CHILD MALTREATMENT AND NEGLECT

All Club Rewind staff members are trained in recognizing, reporting and preventing child maltreatment and neglect. This reporting is required by law should the staff member have cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse, neglect or is a victim of indecency with a child by any person.

Any person who has a suspicion that a child is being abused or neglected can file a report by calling the Texas Abuse and Neglect Hotline at 1-800-252-5400 or online at www.txabusehotline.org.
