

July 14, 2020

Dear Parents and Staff –

We wanted to update you on when you can expect to receive more information in regard to the 2020-2021 school year in CFISD. You may have seen that several neighboring districts have already released their plans or announced that they will release them soon, due to their earlier start dates. We are very fortunate that the first day of instruction for CFISD students is not until Monday, Aug. 24, providing us with several extra weeks to finalize our plans, which include numerous and significant health and safety protocols for our students and staff. Keep in mind that all plans are subject to change based on guidance from local and state officials.

Important dates for you to know:

- **Monday, July 27:** Reopening CFISD plan to be released with details regarding in-person instruction and remote instruction, including the process for parents to select which method they prefer for their child(ren)
- **Wednesday, Aug. 5:** Deadline for parents to select the method of instruction (in-person or remote)
- **Monday, Aug. 10:** Deadline for parents to change a previously made selection
- **Monday, Aug. 24:** First day of instruction for CFISD

Thank you for your patience and understanding as we work diligently to create the safest possible learning environment for our students and the safest possible working environment for our staff.
