

Health Screening Protocol during COVID-19 for all for Visitors to CFISD Sites

APPENDIX

Rationale:

Out of an abundance of caution and to protect the CFISD community, all visitors to CFISD facilities will be screened (via questioning) about their health and potential or known exposure to COVID-19. This daily measure will help to identify individuals who present with symptoms that could be related to COVID-19.

Protocol:

- All facilities will have hand sanitizer available at each entrance for visitors to use whenever they enter the building. Consistent with the actions taken by many organizations across the state, it is recommended for visitors to wear face coverings over the nose and mouth and to practice social distancing.
- Before being allowed to enter a CFISD facility each day, each individual will be screened (via questioning):
 1. Do you have any of the following signs or symptoms in a way that is not normal?:
 - Feeling feverish or a measured temperature greater than or equal to 100.0° F
 - Cough
 - Shortness of breath or difficulty breathing
 - Chills
 - Shaking or exaggerated shivering
 - Significant muscle pain or ache
 - Headache
 - Sore throat
 - Loss of taste or smell
 - Diarrhea
 2. Have you had known close contact with a person who is lab-confirmed with COVID-19 within the last 14 days?
- If needed, the individual can contact the CFISD Health Services Department at 281-517-6339 to assess further any questions answered unsatisfactorily.
- Any visitor to a CFISD site that fails to satisfactorily answer the screening questions above, shall not be allowed to enter the premise and will not be allowed to be physically present at any CFISD facility for a minimum of fourteen (14) days following exclusion. Additionally, prior to returning to a CFISD site, a visitor must satisfactorily answer the screening questions without the presence of new or worsening symptoms.
- A visitor that is excluded from a CFISD site due to unsatisfactory answers to screening questions shall be allowed other opportunities to conduct business with CFISD through remote or virtual options, to the extent practicable.
