Parents and guardians –

If you would like to make a change to the learning option for your child(ren) for the 2nd grading period—from CFISD Connect to On-Campus or from On-Campus to CFISD Connect—the selection window will be open between Monday, Sept. 28 and Sunday, Oct. 4 through the Home Access Center. This change will be effective beginning Oct. 19 for middle and high school students and Nov. 9 for elementary students. A separate questionnaire must be completed for each child needing a change. If your child is continuing with the same learning option for the 2nd grading period, then no action is required.

- Log in to the Home Access Center using your PARENT login/password, NOT the STUDENT login/password.
- Click the “Home” button. Select the “School Links” tab. Click the “Return to School Questionnaire – 2nd Grading Period.”
- You must use the parent login to see the “Return to School Questionnaire” in the “School Links” tab.
- If you do not see the “Return to School Questionnaire – 2nd Grading Period”, you may have used the student login instead of the parent login.
- If you do not have a parent login, please contact the Customer Care Center at 281-897-4357 or the registrar at your child’s campus.

Sincerely,  
CFISD Communication
