

PSAT Testing

Cypress-Fairbanks ISD will administer the PSAT to any tenth or eleventh grade student on Wednesday, October 16, 2019, who pays the \$22.00 fee by the deadline. Contact the high school counseling office for details. The PSAT provides practice for the SAT, an opportunity to enter the National Merit Scholarship Program, and access to college and career planning tools.

As stipulated by TEC 29.916, home schooled students may attend public school to participate in the PSAT administration. Specific registration information can be obtained by contacting the counseling office at the high school that would be the student's designated campus.
