

Student Qualifications for Off-Campus Physical Education

A student seeking acceptance in the program must:

Have been a participant in a training facility for ten or more hours per week for two years prior to making application.

Only participate at one facility. Students may not split off-campus pe training between multiple facilities.

Agree to be picked up at the beginning of the last period of the school day or enter at second period of the school day.
(Students are not allowed to be on campus during their OCPE hour).

Participate in 15 clock hours per week of highly intensive professional training supervised by the facility coach.

- These hours do not include games, performances, competitions, tournaments, or travel time.
- The coach must be present and supervising during all training times.
- Be removed from OCPE if the student is not attending the state required 15 hours per week.
- Be removed from OCPE if a student sustains an injury or has an extended illness resulting in more than a two week absence during the semester, due to the 90% attendance rule.
- Risk loss of credit if the student quits OCPE before the end of the semester.

Notify the OCPE Department:

- Before a facility change is made. Students may not transfer to a non-approved facility.
- If removed / dropped / dismissed from your approved facility as this will result in being removed from OCPE.

Ensure the facility turns in attendance and grades to the OCPE Department on time.

- Failure of the facility to meet this responsibility will result in being dropped from the program.

Have field trip absences approved by the school two weeks in advance of the competition or performance.

- Field trips may be denied by the school principal if there are existing excessive absences, academic problems, or other circumstances that warrant denial.
- A field trip form will be provided to parents once a student has been approved for the OCPE program.

Attach a letter of recommendation from the facility coach. Letter should be written on a facility letterhead and include:

- Verification of the number of years at the facility
- Verification of the number of hours per week in participation
- Verification of the level of competition.

Meet the registration deadline of May 1 for the fall semester and November 1 for the spring semester.

- Students who are new to the district and meet the criteria may be placed on an addendum

Complete the online application process in full before submitting.

- The coach letter of recommendation must be uploaded for the application to be complete

Not hold CFISD responsible for payment or fees by the training facility.

If the student meets the above qualifications, click the link below to submit an application
