

Feb. 11, 2021

**Message from Harris County Public Health:**

This email is to alert you that some of the eligible Tier 1A and Tier 1B school staff will be notified about some of our no-show appointments. They will be directed to appointments at two sites (their choice): Challenger Stadium at Clear Creek ISD or Waller Stadium in Waller ISD. Tier1A staff are being prioritized first with additional appointments going to Tier1B with oldest individuals invited first. We encourage you to book for tomorrow if possible due to the inclement weather that is coming this weekend.
