Weekday Campus Tours

OSU offers regularly scheduled daily tours at 10 a.m. and on Fridays at 1 p.m. Our morning tours give you the most opportunities for your tour experience, including an academic appointment. Schedule your visit to Oklahoma State University online or by calling 800-233-5019.

If possible, please schedule your campus tour at least two business days prior to your arrival. While we will always accept walk-ins and late registrants, a two-day notice allows our academic representatives time to prepare the best visit experience for you!

You have the ability to design your day on campus however you would like, including: a walking tour of campus and select housing options, an academic appointment with your college of interest, and meetings with the Honors College and/or the Office of Multicultural Affairs.

Campus tours last about two and a half hours and are led by current OSU students. We encourage you to wear good walking shoes and clothing appropriate for the ever-changing Oklahoma weather.
