FLYER DISTRIBUTION GUIDELINES: The final decision concerning flyer distribution, and the manner in which the flyers are distributed (whether electronic or paper), is at the building principal's discretion. Some principals may prefer having a limited number of flyers available in the office for students who are interested, as opposed to distributing one to every child – this method is used in middle and senior high schools. Therefore, do not make copies of your flyer until approval is received and until the schools' manner of distribution is known.

- ◆ Duplication of flyers is the responsibility of the organization requesting permission to distribute.
- ◆ After receiving District approval, please contact the school **prior** to delivering the flyers to the school. A copy of this signed form and a signed copy of the flyer **must** be delivered with each set of flyers that you want distributed.
