

Information Session at  
SPILLANE MIDDLE SCHOOL  
13403 Woods Spillane Blvd. Cypress, Texas 77429  
Flex Room

Two information sessions will take place at Spillane Middle School in the Flex Room on **Thursday, March 5, 2015 from 4-5:00pm and from 5-6:00pm.** Representatives from the University of Houston-Clear Lake will provide information about four graduate programs offered at UH-System Center at Cinco Ranch.

- Master of Science Degree in Educational Management with Principal Certification
- Master of Science in Instructional Design and Technology
- Educational Management MS with Principal Certification and Master Technology Teacher Certification
- Doctor of Education Degree in Educational Leadership

To award students with outstanding academic achievement, we will provide \$1000 scholarships to new students who are admitted and enrolled in the Cinco Ranch Cohort of the Doctor of Education in Educational Leadership program beginning Fall 2015.

We look forward to visiting with you about your future leadership development. For more information please see our website at
