

1. **Welcome** (Dr. Henry)  
Dr. Henry shared information about his family and his professional leadership. He is extremely excited about being superintendent of Cypress-Fairbanks I.S.D. He share a story that focused on *Every Child has Value*.
2. **The minutes from the May 29, 2011, meeting were read and approved** (Roy Garcia)
3. **DEIC Training and Quiz** (Roy Garcia)  
Also, in the spirit of "going green," the DEIC meeting information will be on [www.cfisd.net](http://www.cfisd.net); click on District information then click on DEIC. There you will find a schedule for meetings, agendas, and approved minutes. Presentations for the meetings will also be there.
4. **2011 Academic Performance Report** (Roy Garcia)  
For the 2010-2011 school year, Cypress-Fairbanks had **15 Exemplary**, **46 Recognized**, **16 Academically Acceptable** and **1 Academically Unacceptable** campuses. Cypress-Fairbanks has filed an appeal with the state on behalf of Dean Middle School. The District rating is currently **Academically Acceptable**. A school district cannot be Recognized or Exemplary if they have even one Academically Acceptable campus.  
  
In the prior school year, Cypress-Fairbanks had **38 Exemplary**, **36 Recognized**, **2 Academically Acceptable**, and **NO Academically Unacceptable** campuses. There was a different accountability system used for 2009-2010 and 2010-2011, so we need to compare "apples to "apples." Without the TPM (Texas Projection Measure), CFISD would have had only 12 Exemplary, 36 Recognized, and 28 Academically Acceptable campuses.
5. **Wrap up** (Roy Garcia)  
We viewed *Every Life Has a Story*.

*"My friends, love is better than anger.  
Hope is better than fear.  
Optimism is better than despair.  
So let us be loving, hopeful, and optimistic.  
And we'll change the world."*

~ Jack Layton (1950-2011); Canadian Politician ~
