Dear CFISD Community,

Thank you for your support during the recent inclement weather days as we worked to keep student safety a priority. The decision to close schools is never taken lightly as there are many factors to be considered.

Make-up days for the inclement weather that occurred on **Jan. 24** and **28** will be **Feb. 17** and **June 6**. These dates are identified on the current 2013-2014 School Calendar.

According to the Texas Education Agency (TEA), students and staff are required to meet the designated number of instructional days.

Please refer to the district website (www.cfisd.net), Facebook and Twitter for updated district news.

Sincerely,

Mark Henry, Ed.D

Superintendent of Schools
