

Dear Key Communicator,

We have another great opportunity to support our talented students with the simple click of a button through the [State Farm Texas Scholar Award \(TSA\) program](#).

Two CFISD seniors—**Grace Chang** of Cypress Falls High School and **Yameng Leslie Zhang** of Cypress Woods High School—are among 50 finalists for the statewide award, which recognizes outstanding high school seniors who are involved in UIL-sanctioned competition and strongly involved in their communities.

The TSA program will award \$5,000 to the school with the top online vote-earner. The competition runs through Monday, April 15, and you can cast multiple votes per day.

As I've said, we are all winners when one of us wins, so please show your support by voting for these two outstanding Cy-Fair students and citizens.

Sincerely,

Mark Henry, Ed.D
