

August 23, 2011

Dear Key Communicators:

Dr. Mark Henry assumed his new role as superintendent of CFISD in July. In order for the community to become more acquainted with him, "[CFISD Conversations](#)", which is currently airing on CFTV Comcast Channel 16 and is posted on the CFTV Online on the district's website, was produced.

Thank you for your continued support of CFISD.

Sincerely,

Kelli Durham
Assistant Superintendent for Communication
281-807-8939
