**Program Description/History:**

Equitable Foundation has established the Equitable Excellence℠ Scholarship Program to assist high school seniors who are planning to continue their education at a two- or four-year college in the United States by Fall 2022.

This program is administered by Scholarship America®, the nation’s largest designer and manager of scholarship, tuition assistance and other education support programs for corporations, foundations, associations, and individuals. In compliance with Federal law, this program will not discriminate in the terms, conditions or privileges of participation on the basis of race, color, religion, gender, national origin, age, disability or sexual orientation.

Every year, students across the country work hard to make a positive and lasting impact in their communities and beyond. And every year, we award $1.8 million in college scholarships to hundreds of these remarkable young people throughout the nation representing all 50 states, Washington DC and Puerto Rico.

Students have the opportunity to receive a $2,500, $10,000 or $25,000 scholarship. To recognize the important role their dedicated educators play in guiding these students along their path to success, we also award a $1,000 grant to every Equitable Excellence winner’s high school.
