Homelight is building the future of real estate — today. Our vision is a world where every real estate transaction is simple, certain, and satisfying for all.

The best real estate agents rely on HomeLight’s platform to deliver better outcomes to homebuyers and sellers during every step of the real estate journey, whether that’s enabling an all-cash offer, unlocking liquidity of their existing home to buy a new one, or creating certainty through a modern closing process. Each year, HomeLight facilitates billions of dollars of residential real estate business on its platform for thousands of agents.

We want to support like-minded students who share our passion for improving the world of real estate. That’s why we’re offering a \$1,000 scholarship to talented students who hold an interest in homes and homeownership. If you’re interested in designing homes, building homes, placing people in homes, combatting homelessness, or studying the housing market, we want to help fund your education.
