

Title: The British American Foundation of Texas (BAFTX)

Deadline: Jan. 31, 2022/March 31, 2022

Award Amount: varies

Program Description:

The British American Foundation of Texas (BAFTX) levels playing fields, allowing gifted and talented students from underprivileged backgrounds to study and achieve their academic ambitions.

BAFTX awards academic tuition scholarships at various increments and programs to finance aspiring middle school, high school, undergraduate and postgraduate students.

BAFTX provides opportunities to excel here in Texas, or to attain global education, with academic exchanges between the UK and USA and UK-based programs for students from Texas. Travel broadens both minds and horizons and solidifies the existence of a world beyond the realms of the school bus perimeter.

The primary focus of educational scholarships from BAFTX is in the fields of STEM and International Business.

The British American Foundation of Texas (BAFTX) offers a range of scholarships and programs, from middle school to graduate school.
