

CFISD Debate I

Scope and Sequence 2022-2023

Course Description: Gaining a general understanding of the major forms of debate, studying logic and reasoning and learning to prepare and present actual debates, oratories, and extemporaneous speeches, are the objectives of this course in argumentation. Participation in competitive speech and debate events is a requirement for this class. Students involved in speech/debate competitions may be required to work after school to prepare. Preparation time will be limited to 8 hours per week on Monday through Thursday. After 2:30 on Friday, there is no limit on the number of hours students may work. Speech competitions are held on Friday evening and Saturday. Student fees for tournament competition are required.

** The length of each unit is an approximate number of days dependent upon the materials used and complexity of assignments. Units may be combined. The purpose of this flexibility is to allow teachers the opportunity to plan for the needs of their students and to accommodate re-teaching or review when necessary. If pre-assessment indicates student mastery could be achieved in a fewer number of days, the additional time could be used for extension or carried into the next unit.
