WHAT IS ACCOUNTABILITY?

Accountability is taking
responsibility for your words,
actions, and results.

RESPONSIBILITY

ME, MYSELF & I ACTIVITY

**WHAT DOES IT MEAN TO
BE TRUSTWORTHY?**

**In the following scenarios,
compare and contrast
the pros and cons of being
trustworthy, responsible and
accountable.**

Scenario 1:

You borrowed an electronic device from a friend. While you were eating, you spilled milk on the device and broke her headphones. Your friend will return soon and want the device.

What will **YOU** do?

Scenario 2:

You have a big project due tomorrow. The assignment was given two weeks ago. You haven't started on your project yet. You are thinking about asking your friend to copy their work because the project is a major grade. You cannot possibly finish it in one night.

What do **YOU** do?
