

Respect

is a feeling or understanding that someone or something is important and should be treated in an appropriate way

The learner will...

- **Discuss** the meaning of respect
- **Explain** why it is important to demonstrate respect to others
- **Explore** ways to demonstrate respect

But what about
people you don't
know? What about
people you don't
like as much?

Why should we show respect to others?

How can we show respect for...?
